

DODGE CITY MIDDLE SCHOOL

One or two students from each Advisory class will go to the cafeteria and pick up their classroom's breakfast tote (they are listed by Advisory room number).

The Advisory teacher or responsible student must accurately check off which students took a breakfast and then return that list with their tote to the cafeteria. Totes need to be returned before Advisory period is over.

Breakfast in the Classroom will be provided for all students free of charge, unless a student chose to eat breakfast in the cafeteria. If a student eats breakfast in the cafeteria and also eats in the classroom they will be charged for one adult breakfast (\$2.30). No one is allowed to have two free breakfasts.

Students must take 3 to 4 items, and one of those items must be a fruit, either a piece of fruit or juice. They can mix and match what they want as long as one item is a piece of fruit or juice. Before taking more than one grain product, students need to be considerate of those who have not picked up their breakfast.

If a student does not eat all of their items please place them in a place where other students may take them.

Food is not to leave the classroom.

Breakfast in the classroom will not be served on Late Start days or on days where an Advisory period is not on the schedule.
