“We Are One”

Back to School Teacher Activities and In-services

2014 - 2015

IMPROVED INSTRUCTION

This year’s focus will be supporting the USD 443 district vision by helping each student use technology as a learning tool, post clear learning expectations by verbally communicating objectives, and reinforcing learning with high degrees of checking for understanding, supported through meaningful feedback as we incorporate multiple ways to deliver purposeful explicit vocabulary instruction.

MONDAY, AUGUST 18TH
