

DODGE CITY MIDDLE SCHOOL

Title I Supplemental Educational Services

Sign-Up form

Dear Parents/Guardians:

Welcome back to school after what we hope was a wonderful and exciting winter break. The second half of the school year is well underway with staff and students once again actively engaged in teaching and learning. We are excited about the educational challenges that lie ahead of us and know that some students need a little more time to master essential knowledge.

In order to provide additional learning opportunities, we are currently offering an after-school tutoring and homework help program to support students who can't get enough time during the school day to achieve proficiency in the core content areas of reading, writing, and mathematics.

Our sixth grade teachers sponsor and administer the after school program through our Title I funds. Tutors are present to work with individual students and make sure students are on track to master essential content and skills. As a parent, you have the right to enroll your child in this Title I approved program. However, transportation from the after school program is a parental responsibility.

This program **starts on Tuesday, January 17 and ends on Thursday, January 26** and will be **Monday-Thursday from 3:15-4:15**. A snack and drink will be provided and your child will receive extra time and academic support in learning the skills that they struggled with on their last assessment. Students will attend **either 4 days of math support or 4 days of ELA support**. Students who have 100% attendance will receive a non-uniform bracelet at the end of the 2 week time period.

Please take a moment to complete and return the 2017 6th grade Supplemental Educational Services Sign-Up form located below if you are interested in enrolling your child in the Dodge City Middle School After School program. The sign-up form must be returned to your child's school office as soon as reasonably possible so we can begin tutorial services. If you need assistance in determining if you should enroll your child, please call Mrs. Dick or Mrs. Jacobs at 620-471-2100

Sincerely,

Michael King
Middle School Principal

Student's Name _____ MATH _____ ELA _____

_____ YES, my child can attend the after school program. I am aware that transportation from the after school program is my responsibility.

_____ NO, my child cannot attend the after school program. I am aware that my child is struggling to understand the basic skills that will help him/her develop into a more successful student.
