

## Picking Up and Dropping off Students

At 7:30 A.M. the front doors will open for the students. Students choosing not to eat breakfast must wait in the auditorium until dismissed to class.

Students attending the before school study will enter through the doors just North of the main entrance doors. The supervisor will open these doors from 6:55 – 7:00 A.M. only to those students on the list. At 7:00 A.M. these doors will be locked.

The school day ends at 3:15 P.M. All students will dismiss through the front doors or an outside door closest to their 8th period classroom. Please check with your child/children to find a suitable location for pick up at the end of school.

Bus students in grades 7&8 are to dismiss through the 100's hallway exit door to their assigned buses. Bus students in grade 6 are to dismiss through the North Gym and exit through the 400 hallway exit door to their assigned buses. If your child/children are not to ride the bus, you are to call the office before 2:30 P.M.

Students attending the after school study must report to the designated classroom by 3:25 P.M. Students will need to make arrangements to be picked up by 4:15 P.M.

Students not participating in an after school activity should be picked up by 4:30 P.M. If your child/children are not picked up by 4:30 P.M. and attempts have been made to call all phone numbers on file for your child/children, they will be turned over to the police as a "child in need of care". If you are going to be late, please call the school so we can help you make arrangements for your child/children.

Students participating in before or after school activities will be supervised by participating coaches or teachers. Time will differ from the schedule above and students will be notified of these times by the participating coaches or teachers.
