

Session III

What session will I need to attend?

- You will sign up for the content area you are teaching at the building you have been assigned.

Content Groups

- These groups will be a mixture of Pre-K to 12 teachers. The mastery objective of this session will be for the participants to review and/or be introduced to the new Vision of the State Board of Education and evaluate how your content area is already addressing this vision as well as ideas for the future.

What are the talking points for Session III

- Below you will find an agenda to follow. Also, you will find the pdf of the “Talking Points” document.

AGENDA:

- 1) Video from Commissioner Randy Watson addressing Dodge City teachers about the new “Kansas Can” vision from the State Board of Education
<https://youtu.be/WeJLbIri0RE>
- 2) Teachers will review the “Talking Points” document (pdf attached)
- 3) The group will choose at least three bulleted points in the center column “Perspective” to discuss. The group will talk about how their content area effects and/or is affected by this perspective.
- 4) The group will answer the questions
 - a) What does this bulleted point mean?
 - b) What are we doing at each level (PreK - 12) to address this area?
 - c) What holes exist in our curriculum and/or school culture in this area?
 - d) How do we address these holes?
- 5) Groups will record their major thoughts to these guiding questions in any form (google doc, chart paper, white boards, etc) Regardless of how you create your artifact, upload it (a picture of it, etc) to this padlet at the end of your session:
<https://padlet.com/khuck12/443kansanscan>

Where will I meet and who will lead my content group?

Below is a list of Content Leaders as well as room assignments. If you have any questions or feel as though you do not want to lead these groups, please let me know and we will get you the answers you need. Thanks for your help!

- Science (CMS) Rm 218 **McKenzie Lueders, Sarah Samuelson**
