

# DODGE CITY MIDDLE SCHOOL

## TEAM LEADERS MEETING

November 10, 2015 Agenda

### What is Capacity Building?

#### **Review of SMI and SRI Assessments**

- Take five minutes and Review your current grade level assessments.
  - Answer the Question: What are you seeing as a data trend?
  
- Take five minutes to identify a target.
  - Answer the question: What would be your target area for grade level improvement?
  
- Take five minutes and discuss school or district initiatives you are currently implementing as a team.
- Answer the question: How will you obtain your target under new assessment?
  - List three initiatives

#### **Establishing Smart Goals**

- Using the same process with your team develop a smart goal under each of the assessment and list three district or school initiatives on how you will accomplish your two smart goals.
  - How much time will you need?
